

Commander SIP Calling

CRITICAL INFORMATION SUMMARY

INFORMATION ABOUT SERVICE

SERVICE DESCRIPTION

Commander SIP Calling plans provide your business with an nbn-ready phone service delivered via your Internet connection, sometimes referred to as Internet or IP telephony. Commander SIP is designed to carry voice calls from your SIP capable Phone system or gateway device. These plans are not available for resale or high volume telemarketing purposes. A minimum of 2 channels applies to each service. Single channels may be purchased after the minimum at the same rate. Bundling is optional and there is no mandatory equipment required as part of the service depending on the contract term you have agreed to, the minimum term is 1, 24, 36, 48 or 60 months. Details are listed below.

MINIMUM CONTRACT TERM

1, 24, 36, 48 or 60 Months

HARDWARE

If you use this service in conjunction with the Business Gateway hardware and a Commander Internet service on the same account, our 4G Backup feature is enabled free of charge. 4G Backup enables you to make and receive calls over the mobile network, in the event of a service interruption or network outage on your primary Commander Internet service. For more information: [commander.com.au/phone/business-continuity](https://www.commander.com.au/phone/business-continuity)

EARLY TERMINATION CHARGE

If you cancel the service with in your contract term (whether you are on a 24, 36, 48 or 60-month minimum term), Early Termination Fees (ETF) will apply per service. ETF is calculated at \$10.00 per channel for each plan, multiplied by the number of months remaining on your contract term. Maximum ETF charges: on the 24-month service is \$480; on the 36-month service is \$720; on the 48-month service is \$960; and on the 60-Month service is \$1200.

KEY DETAILS

Your Commander SIP service allows you to make and receive phone calls. Your Monthly Access Fee includes line rental and free internal calls. The Information About Pricing section specifies other call types that are included in your Commander SIP plan. Call types not listed, optional Value Added Services and any equipment required to operate your service are charged in addition to your Monthly Access Fee. This service may not be appropriate if you require an uninterrupted phone service with access to 000 emergency services. The service will not function in the event of a power failure. Priority Assistance is not available on this service

PAYMENT OPTIONS

Payment by Direct Debit from a bank account does not incur additional fees or charges. Additional charges apply for other payment methods. For details, see your invoice, our Schedule of Fees & Charges on our website commander.com.au/customer-terms, or contact us on 132 777.

SERVICE AVAILABILITY

Services may not be available to all areas, premises or customers. If we are unable to connect all your requested services, we will attempt to contact you to discuss further options first or, if we can't contact you after making reasonable attempts, we will cancel your order. An Internet service with a minimum of 100/100 Kbps per concurrent call is required for a Commander Smart SIP Max service. You can utilise an existing Internet connection or request a new one from Commander. Applicable Internet rates apply. To use a Commander SIP service, you will need a high-speed Internet service (broadband), a SIP capable modem/router and a SIP-enabled PBX. These can all be sourced additionally from Commander if required; please speak to your Commander representative for more information. These services may not be supported or may require an alternative service or additional equipment. Calls to some International destinations are blocked by default due to high risk of fraud. You may arrange with Commander to unblock these destinations, upon accepting full responsibility for payment for any calls from your service makes to these destinations.
