

# TERMS & CONDITIONS - BUNDLE DISCOUNTS

Effective date : 31 January 2020

## Power Bundle Discount

If you are purchasing both an Eligible Telecommunications Product AND a Commander Power & Gas electricity service at the same physical address, you can receive a Discount of \$5 on the monthly access fee of the Eligible Telecommunications Product. Commander Power & Gas electricity service is only available for selected meter configurations in NSW, VIC and SA only.

The Discount will be applied from the first bill after your premises has been connected with the Commander Power & Gas electricity service, which may be up to 110 days after the sale has been finalised.

The Discount is not available with any other offer.

The Discount will cease if the electricity service is cancelled or transferred from Commander Power & Gas.

Eligible Telecommunications Product means a internet or office phone product that has been listed on the Commander website at [commander.com.au/save5](https://commander.com.au/save5).

## Mobile Bundle Discount

A Discount of \$5 will apply on the monthly access fee of each Eligible Mobile Product that is bundled with an Office Phone or Internet service (on the same account) or with a Commander Power & Gas electricity service (at the same physical address).

Eligible Mobile Product means a mobile product that has been listed on the Commander website at [commander.com.au/save5](https://commander.com.au/save5)
