

NBN Business Line (Month to Month)

CRITICAL INFORMATION SUMMARY

INFORMATION ABOUT SERVICE

SERVICE DESCRIPTION

Commander NBN Business Line plans are offered as an Office Phone service for delivery over an NBN Service. You can transfer your existing Office Phone service or activate a new service with Commander. NBN Business Line plans are not available for resale or high-volume telemarketing services. Commander is responsible in supplying these services to our customers and we have no other affiliation or relationship with our wholesalers outside of our wholesale agreements. Bundling is optional and there is no mandatory equipment required as part of the service. This service has a 1 month minimum term applicable.

BUNDLING ARRANGEMENTS

Connect Plan Discount: The NBN Business Line Connect plan is only available when bundled with a Commander standalone NBN Broadband service at the same physical site. If the Commander NBN Broadband is cancelled or transferred to another service provider, the monthly access fee will increase to \$50 per month.

NBN Bundle Discount: By bundling NBN Business Line Calling or Premium plan with a Commander standalone NBN Broadband service at the same physical site you can receive \$30 off the Commander NBN Broadband access fee. If the Commander NBN Business Line is cancelled or transferred to another service provider, or moved to an ineligible plan, the \$30 discount will be removed from the NBN Broadband service.

Multi-Line Discount: \$30 Multi-line discount is applied to all Business Line Premium plans at the same physical site, once one service is charged at full price.

EARLY TERMINATION CHARGE

No early termination fees apply.

HARDWARE

An internet connection and supporting connectivity hardware is required to use this service. You may use your own modem or a Commander Business Modem can be purchased separately. If you use this service in conjunction with the Commander Business Modem hardware and a Commander Internet service on the same account, our 4G Backup feature is enabled free of charge. 4G Backup enables you to make and receive calls over the mobile network, in the event of a service interruption or network outage on your primary Commander Internet service. KEY DETAILS

Your NBN Business Line service Monthly Access Fee includes line rental and Commander to Commander calls. The table listed above specifies other call type that are specific to your NBN Business Line plan. Call types not listed, as well as optional Value-added services and any equipment required to operate your service are charge in addition to your Monthly Access Fee. This service is not appropriate if you require an uninterrupted phone service with access to 000 emergency services and will not function in the event of a power failure. Commander does not offer Priority Assistance.

PAYMENT OPTIONS

Payment by Direct Debit from a bank account does not incur additional fees or charges. Additional charges apply for other payment methods. For details, see your invoice, our Schedule of Fees & Charges on our website commander.com.au/customer-terms, or contact us on 132 777.

SERVICE AVAILABILITY

Service may not be available to all areas, premises or customers. If we are unable to connect all your services, we will attempt to contact you to discuss further options first or, if we can't contact you after making reasonable attempts, we will cancel your order. You must inform us if the service is intended to be used in conjunction with a disability or medical service, back to base alarm or is intended to carry data services such as Fax, EFTPOS or HiCaps. These services may not be supported or may require an alternative service or additional equipment. Calls to some International destinations are blocked by default due to high risk of fraud. You may arrange with Commander to unblock these destinations, upon accepting full responsibility for payment for any calls from your service makes to these destinations.
